RE: GRAPHIC DESIGN TRAINER - MR. TEDDY MWENDWA.

This letter serves to recommend the above-named person for his outstanding voluntary service as a **Graphic Design Trainer** at the Kibwezi West NG-CDF Ajira Youth Empowerment Center, Makindu.

Mr. Mwendwa voluntarily dedicated his time and expertise to train participants in graphic design, equipping them with practical digital skills using modern design tools and industry best practices. Throughout the training period, he demonstrated professionalism, excellent communication skills, patience, and a genuine passion for empowering young people through digital literacy.

His training sessions were well-organized, engaging, and practical, enabling learners to develop valuable graphic design skills that can be applied in freelancing, entrepreneurship, and employment opportunities within the digital economy. His commitment extended beyond delivering lessons, as he consistently encouraged creativity, innovation, and continuous learning among the participants.

Mr. Mwendwa conducted himself with integrity, reliability, and a strong work ethic throughout his engagement with the Ajira Digital Program. His willingness to volunteer his services reflects his dedication to community development and youth empowerment.

Based on his contribution and professional conduct, I confidently recommend Mr. Teddy Mwendwa for opportunities in graphic design training, digital skills development, creative industries, and any position requiring dedication, technical competence, and leadership.

Should you require any further information regarding his voluntary service, please feel free to contact the undersigned.

Yours faithfully,

Daniel Muia Ngengo,
Ajira Center Manager,
Kibwezi West NG-CDF AYEC.
